SIGGRAPH 2015 – 9-13 August 2015
CONFERENCE TIP SHEET

SIGGRAPH is a 5-day interdisciplinary educational experience and conference for the latest computer graphics and interactive techniques.
The 42nd annual conference will take place at the Los Angeles Convention Center.

WHAT: SIGGRAPH Programs Offer the Latest in Emerging Technologies, Games, Art, Virtual Reality/Augmented Reality, Robotics, and more.

- **VR Village**: Dedicated to featuring real-time immersion in the latest virtual and augmented realities with content and experiences, including Nomadic Virtual Reality (VR), Tabletop Augmented Reality (AR), Full-Dome Cinema, and live performances and demonstrations in a 360-degree immersion dome.

- **Emerging Technologies**: A showcase of the latest interactive and graphics technologies that include 3D, virtual reality, and projection mapping.

- **Computer Animation Festival**: Watch the world's most innovative and amazing digital film and video shorts.

- **Studio**: See and touch projects from alternative fields that utilize and build new foundations in computer graphics, including:

  o Mi.Mu Gloves will have musician **Imogen Heap** [via remote location] to support the company's product that highlights interactions with music and visuals. This will take place on Tuesday, 11 August, from 9:00am-10:30am.

- **Games**: Preview the hottest games and talk with the minds behind critically acclaimed titles, including: "Witcher 3: Wild Hunt," "Deus EX: Mankind Divided," and "Rise of the Tomb Raider."

- **Art Gallery**: An exhibit of 15 curated pieces that integrate craft techniques and contemporary digital design.

- **Production Sessions**: Go behind the scenes with the top special effects companies behind films such as "Jurassic World," "Ant-Man," "Avengers: Age of Ultron," and "Inside Out."

  o There will be a special presentation to celebrate Industrial Light & Magic's 40th Anniversary on Monday, August 10.

- **Robotics**: Telepresence Robot to Help Paralyzed Man from Brazil Travel to SIGGRAPH in LA.

- [Other programs](#) at SIGGRAPH include: Making, Real Time Live! Technical Papers, Job Fair, Appy Hour and Exhibits.

WHEN: 9-13 August 2015

HOURS: Sunday, 9 August: 12:00 pm – 5:30 pm
                 Monday, 10 August: 9:00 am – 5:30 pm
                 Tuesday, 11 August: 9:00 am – 5:30 pm
                 Wednesday, 12 August: 9:00 am – 7:00 pm
                 Thursday, 13 August: 9:00 am – 3:30 pm

WHERE: Los Angeles Convention Center
                 Los Angeles, CA

WHY: See and learn about the latest computer graphics technologies, breakthroughs,
                 research, and interactive techniques.

                 Visit the SIGGRAPH 2015 website or follow SIGGRAPH on Facebook and Twitter for
                 more detailed information about the programs and conference. To register to attend this
                 event, visit the registration page.
